Business Summary

The Company is a certified aerospace parts facility specializing in heat treatment, chemical processing, painting, and non-destructive testing. They are extremely unique in their ability to handle 16 foot lengths which makes them a preferred vendor on a regular basis for all types of work. Their long-tenured General Manager runs the day-to-day business along with the other six supporting managers. Significant growth opportunities exist in adding parts manufacturing to this facility as requested by their key customers.
